Subject: SFGG v. AIC -- Post-March 21, 2022 Search Terms

Good evening:

As mentioned in our letter dated September 11, we cannot agree to a production end date for AIC of March 21, 2022. However, in an effort to reach compromise, we have analyzed our initial search term list and eliminated those that relate to subjects which are unlikely to be relevant after your current end date. Accordingly, we propose that AIC run only the following terms for the remainder of the production period:

"arrest warrant"
"notificación roja"
(notificacion w/5 roja)
"orden de detención"
"pasivos no reconocidos" OR "unrecognized liabilities"
"pasivos no revelados" OR "undisclosed liabilities"

((obligacion* w/2 contractual*) w/10 ((no registradas) OR omit* OR desaparecido OR subval* OR omisión))
(accounting w/10 (flaw* OR *correct* OR inappropriate OR wrong OR issues OR problem*))
(carpeta w/5 penal)
(understat* w/5 (liabilit* OR cost*))
